Calendar of Project Activities (EEEE4055 and EEEE4077)

	Activity	Description	Status	Academic Calendar Week (Dates)
1.1	HIRARC (Hazard Identification, Risk Assessment, Risk Control)	Students **must** complete the HIRARC form before they are allowed to commence any lab work (especially hardware lab). The HIRARC form can be assessed at the following site: **https://apps.nottingham.edu.my/jw/web/userview/hirarc/v/_/welcome**	Deadline	**23:59 on 5 November 2026**
1.2	Purchase requisition, lab space request, Ethics	Students can start to submit purchase requisitions (to buy components and pieces of hardware), lab space requests (to get personal workspace in the FYP lab), and ethics applications (if any).	Open	Anytime, BUT Procurement activities cease during the 1st week of December and resume in January.
1.3	Project Proposal (10%)	Upload the Project Proposal electronically into Moodle. **The project specification given by the supervisor is appended to the report.** Late submission penalty applies.	Deadline	**23:59 on 5 November 2026**
1.4	Project Proposal Defence (included in proposal mark)	Students must arrange a meeting with their moderator regarding their Project Proposal defence. This is an assessment – The assessment weightage is 10%. Failure to attend this defence session will result in a 0 mark.	Deadline	Anytime between **Week 11-Week 12** (students must book this with their moderator)
1.5	Midterm Feedback Meeting	0%, but is a **compulsory requirement**	Deadline	Either end of Autumn Semester or beginning of Spring Semester **(Weeks 15-16 or Weeks 22-23)** Presentation Slides to be uploaded to Moodle **after the meeting** Due: **23:59 on 5 February 2027**
2	Draft Typed Thesis (0%, but is a **compulsory requirement**)	Submit electronically through Moodle. The draft thesis shall be either in the DOCX or PDF version and submitted as ONE file only.	Deadline	**23:59 on 31 March 2027**
3	Final Thesis (70%), Logbook and Miscellaneous	Submit the final thesis (PDF) and project logbook electronically to Moodle. Also, submit your source codes, GUI and other relevant material on Moodle.	Deadline	**23:59 on 30 April 2027**
4.1	Thesis Defence (10%) (included in thesis mark)	Students should prepare a presentation and demonstrate the functionality of the project.	Deadline	Anytime between **Week 36-Week 37** (students must book this with their moderator)
4.2	Poster Roadshow Presentation (10%)	Presentation session for all Individual Projects.	Deadline	**4 to 6 May 2027** (students must be available in person)
4.3	Return of Project Items	Return the hardware used for the project to the FYP Lab. We observe this to facilitate the reuse of project items and promote sustainable project management.	Deadline	Anytime between **Week 37-Week 38**
